Rancocas Stable's Entry Is Beaten by Three Lengths After Bunting Is Given a Breather Rounding the Turn; Dominique Noses Out Lanius

The Lawrence Realization, to be run at Belmont Park Saturday, is bound to be the best three-year-old test seen in the East since the Preak-Kai-Sang. Harry Payne Whitney's Bunting proved that fact to every racegoer's satisfaction yesterday afternoon by the manner in which he won the Brentwood Handicap at a mile and a sixteenth, the feature of yesterday's racing card at Belmont Park.

Horsemen Seek Change In Claiming System

A heavy play also was made on Best Pal, which was knocked down from 5 to 1 to 11 to 5. Mad Hatter was neglected, and receded from 7 to 6 to 3 to 1.

Kai-Sang Carries 133 Pounds

As to relative merits of Bunting and Kai-Sang on their last races the opinion of smart horsemen seems divided. It is true that Bunting beat older and better horses than did Kai-Sang. But it is equally true that he carried only 120 pounds, while Kai-Sang carried 133 pounds. Bunting raced the route in 1:44 2-5, as compared to Kai-Sang's outside all the way round the turn and 1:46 1-5. But Bunting had the benefit of a much faster track, had a perfect, tot day for best efforts and had no vind to hamper him. Furthermore, either great three-year-old was fully xtended. As far as brilliancy of play went, all the Argentinos shone more particu-larly, perhaps, the Miles brothers, Both of them were all over the field But Nelson and the great Lacey played wonderful games too. These Argentinos are superb horsemen, it should be added, and are splendidly mounted.
On the Shelburne side, Belmont and Strawbridge played well above their usual games. The latter especially put up several great battles against the Argentino forwards, but they were too much for him. Belmont followed the ball closely and rode hard, with the result that he was several times on hand for a score.

By Jack Lawrence

Jack Dempsey, heavyweight champion of the world, and his manager Jack Kearns, arrived from Michigan City yesterday just in time to re ceive some very discouraging news. The ball was thrown on near the Shelburne goal and the melee had hardly been worked away from the side-lines before J. Miles drove it through the posts. Then Shelburne staged a fierce rally and Webb tallied from a melee near Argentine's goal. On the next play Stoddard flashed three-quarters the length of the field for a beautiful single-handed tally. Then Argentine took the aggressive, and after the team had worked the ball down with fine co-operation D. Miles drove it over the goal line. Score: Argentine, 9; Shelburne, 3.
